Our Programs:

1- Disability Conversations Group - Informative talks about living with disabilities in an accessible way

2- Relationship Skills Group - An inter-abled group to learn and practice social skills

3- Readers With Disabilities Book Club - A book club that celebrates disability & is designed for young-adults at all reading levels

4- Aspiring LeaDDers Program - An accessible, leadership skills training course for self-advocates

5- Project SEARCH Self-Advocacy Workshops

A part of the Project SEARCH program, our workshops focus on teaching self-advocacy skills

6- Speaker's Network - Opportunities for self-advocates to be public speakers at different disability-related events

7- Self-Advocate Internship - An internship opportunity for a self-advocate to work with our staff

8- Public Speaking Skills Course - Online curriculum for self-advocates.
